GENERAL ORDERS

No. 7.

To the Grand, Subordinate, and Constituent Commanderies
of the Grand Encampment, Knights Templar
of the United States of America.

Greeting:

FIRST. At the time of our Government's call for Two Billion Dollar Liberty Loan, followed almost immediately by an appeal for One Hundred Million Dollars for the Red Cross, as I stated in General Orders No. 5, I at first determined to send out a call to the members of the Order urging them to subscribe to the Liberty Loan and contribute to the Red Cross cause.

But owing to the time it would require to reach our members, and realizing that both calls had already reached every section of our Jurisdiction, and believing that all or nearly all of the organizations, as well as the individual members thereof would have already subscribed to the one and contributed to the other, I had to be content with making a nominal contribution to the Red Cross from the Emergency Fund at my disposal, and to instruct the Grand Treasurer to invest from the General Fund in Liberty Loan, and await opportunity for going further.

Now the time has come for further action.

I am in receipt of a letter from our National Government announcing another call for an additional Liberty Loan and asking for the co-operation of all the bodies and members of our Order.

I can give this call my heartiest endorsement.

Our Country calls — it is ours to obey.

Let our Order be second to none in showing our loyalty by coming to the aid of our Government in this hour of its need.

Let each Grand, Constituent and Subordinate Commandery — farther than that, each individual Knight Templar, which or who has any surplus money, invest it in Liberty Bonds.

It is the safest investment in the world, and pays interest semi-annually.

Every one should own one or more Liberty Bonds.

Besides being a good investment, you are "doing your bit" to help your Government make the world a safe abiding place for our peace-loving Order.

SECOND. Since the appeal made by the Red Cross for money to enable it to carry out its God-given mission, many of the Grand Bodies of the Fraternal Organizations have had sessions, and by action of their Bodies have made large contributions to the Red Cross cause, and so would our Noble Order have done had it been in session, but as it was I could not disturb the General or Permanent Funds, but had to be content to make a nominal contribution from the Emergency Fund.

This condition of affairs caused our Order to suffer by comparison, and I think the time has come for action that will place the Order of Knights Templar represented by the Grand Encampment, at the head of the Fraternal Organizations where it rightfully belongs, as the greatest of all man-made Orders.

this information also to the Recorder.

I wish to say that I have had letters from a large number of the Grand Commanders, calling for some action, and five advocating the very course I had decided upon and on which line I now appeal to every individual Knight Templar owing allegiance to the Grand Encampment.

The plan is to ask from each member of the Order the contribution of ONE DOLLAR to a fund to be placed in the hands of the Grand Treasurer as a SPECIAL EMERGENCY FUND, subject to the call of the Grand Master and his Council Officers.

It might be used for further donation to the Red Cross, Ambulance Unit, or to any other cause deemed worthy by those whom you have elected to govern your Organization.

This proposed plan would not debar any Grand, Constituent or Subordinate Commandery from making contributions of any amounts from their funds, or of any member contributing more than the amount of One Dollar, but it would mean that that amount is all that is asked of anyone at this time and for this fund.

We know not what is before us, but let us be prepared for what may come, so that we may take our place and maintain our proper rank.

This can be no hardship upon our members, for there are but few, if any, who cannot afford to give One Dollar for God and humanity, and to help hold our banner before the world.

Who can say that *your* dollar may not save the life of a brave soldier and thus help to win the war?

Let each Noble Knight "do his bit" cheerfully, consecrating it with his earnest prayers for the success of our cause.

This appeal to be promulgated by the Grand Commanders to their constituent Commanderies, and by the commanderies to *each individual member*.

Let us all work together to see if we cannot present this honor roll without any blanks.

I know that many, perhaps most, members have already made contributions, but your Grand Encampment has not received credit for it, and I firmly believe that each Knight Templar will gladly come to the front once more for the good of humanity and the Glory of our Order.

This proposed fund has no relation to, nor should it in any way interfere with contributions to the Masonic War Relief Association, of which M. E. Sir William B. Melish, of Cincinnati, Ohio, is Chairman of the Executive Committee.

That Association is doing a grand work in the line its name implies, viz.: among needy brethren of the craft, and deserves the co-operation and support of every Masonic Body, Grand or Subordinate.

Please make all contributions to your Recorder, he sending to your Grand Recorder. He in turn to:

FRANK H. JOHNSON,
Grand Recorder of Grand Encampment,
Louisville, Ky.

[SEAL] Given under my hand and seal, at the City of Pittsburgh,
Pennsylvania, this 15th day of Sept., in the year of our Lord,
A. D., 1917, and of our Order 799.

LEE S. SMITH,
Grand Master.
